

Diary from June
29. 1924.

June 29. My birthday
for year 1924. Carl gave
me a rubix ring and
a watch band but they
come before. every one at
home forgot about it ~~Edna~~
and I went to show with
her mother.

June 30 - - -
went up to Carnas and
had Olanço and worked
and talked.

July 1,
went up to Carnas had lunch
Olga was there and we had
a real time. Edna I were
going to Lorenzo with Carl
-- ~~the~~ got shuffled. Boy no
good.

July 4.

The Boss let me off for the fourth of July I am still wondering how it ever happened. That morning about 9 o'clock we went to milo with Clarence & we waited for two hours for something to happen out there and nothing did so when Golda & Frank came I went to Berie with them. In Berie we met 3 geids and went to Hise with them sure had one time bailing. When we landed back in Berie we had one Lemie finding Frank & he was our only ^{hope} way for getting back to home. ha ha. out of luck but we soon found our shopper and all trouble were ended.

the three of us went in
that wonderful Cafe they
have in Durie & tried
to fill on Beef Steak.
After I had eaten I met
Ellen Barker. we went in
and danced a little then
went after his falks. when
we came back Zilda & Frank
had gone back to town and left
me. nevertheless I had one
real time to the dance. I met
a fellow from Swan Valley
and two buildings caught on
fire and he & I took it all in.
until Glen found us then we
got in Glen's ford & went back
to the dance & danced until
two o'clock. coming home we
did not have lights and we
had to feel the road all the
way home. we met Ford &
his gang and followed them

part of the way and the other
part we drove along in darkness.

I arrived home at four
o'clock Dead to the world.

July 5. Every body here.
Olga come down & we slept
out on the porch in in the breeze.

July 6. Glen came in Cafe
& we went for a ride & then
to the show.

July 8. Olga & I had a big
time on the merry go round
June 9.

went to Florence Jenkins
party. Florence went off and
left party to Rest of us &
Maggie Lard & I went down
& found Lase & Rex brought
them back to party. Had a
nice time and an especially
nice lunch.

July 10. went to dance with
kids from Birie. Leo Hall &
friends

July 18.

Had a date with Harry Moore
& his friend. We went to Butler
Island got the Peterson girl
then went to Grand Island
we had a very good time.
Clarence did not dance with
Hazel. He gave her the devil
for not keeping with party.

July 19.

went home to the dance
I met. kid that Olga had
a date with & went car riding
then went to dance & came
home with Duwayne ?.

July 20

The good looking fellow
that wore the striped overalls
came in for dinner. He gave
me the Devil for telling
Rose about him. Charley
had already told me. he
was no good so I hit him
in the chest & told him
to beat it.

July 20 Sun.

Olga & Carma & I were together
Carma & I had a little row
so she went to show & Olga
& I chased around until I
had to go back to work.

July 25.

Zelda Emma & I went down
to park & had lots of fun
taking pictures.

26.

went to dance & came home
with Blunden. He took my
silver ring and before I got
it back he cut it in two.

27. Sun.

Yellon I met at River & one
I met at Audilore came
in & wanted me to go boat
riding I did not go. Olga &
I went to park and a couple
of fellows came along and wanted
us to go to Roxbury we gave
them the walking papers to.

As a ^{summary} ~~summary~~ up I had
some very good times in
the cafe all last summer
had a very good time
with shiek & his friends.
one Sunday the whole
gang wanted ~~me~~ ^{me} to go
car riding with them but
I did not go. It was too risky
I also met John & Kenneth
& Fat & Funny. They used
to come in every meal &
they were were full of pep
unless they had lost in
throwing dice then you
would think they had lost
the world or their good name
one time I remember
particularly is the time
Fat pulled the chair out
from under Funny and
we had quite a collision
for a while.

another time I remember
was when John cut my
hand with his pocket
knife while trying to hold
my hand. He never tried
it again. Then one time
I had a good time with
Kenneth while he was
trying to help me put
the table cloth on. When
Pocotella was playing
Base Ball with 2 7 &
gang of the fellows
from Pocello^{come in}. They were
very lively and they
let out their enthusiasm
on the cracker bowl + cracker
which they flung all over
the house. They came
in two at three times after
that. They gave me their
address in Pocello. I also
met Nick from the School
Shine. He used to come

in every meal & he
kept me from getting
lonesome lots of times
we had one real spat
but we finally packed
it up and I enjoyed dancing
with him several times
before he went away.

Avis Smith blew in
the cafe one day and she
surely kept things going
while she was there.

Kenneth ~~who is~~ ^{who is} to me
wandering & came in on
one of his stays in I-7 and
took me two & show I met
him while working there
Kid that was with Carl
introduced him to me.

Oct 6 he showed up again
I had a good talk with
him. Avis fell for him
and she sure bedded him
along. He wanted me

to go to the show but I
did not go. & Lawrence & I
went to the dance instead
this was election day
Nov. Halloween eve
& Lawrence & I went out
to milo with Clarence
I had a very good time
we were dressed in costume
and I danced with Duet
Jas & lots of the other
boys. &

Halloween we went to
the auditorium I wore my
Clown suit. Had a good
time until I had an accident
and had to sluff my dance
no I didn't break my
neck.

there if he can't come

tell me whether I
am going or not.

Do you remember on
the Date when my
came in & took you

car riding. The ride
started out wonderful
but it ended with
both of us grouchy
just because I threw
a cigarett out for him.
I don't suppose I will
ever see him again.
I don't think he will
keep his date with
me. For the dance
at Blackfoot. I will
see how the fates
will do it.

1 June = I am going
to Mrs. Fitzes this
morning I hope I like it.

June 3. I am in
my room writing
to my man. Just
took a bath & feel
fine. I like my place

 I am ashamed of the
 way I have been
 treating my mother.
 I am going to try
 to improve & after
 this when I can keep
 her from worrying I
 am going to do it.
 I am also going to
 help Lorenzo to do
 better. I know there
 is no hopefulness
 to be found unless
 you are doing some
 good toward others.
 The Fellows did not
 come & take us to
 Lewis so I guess we
 are better off.

Appelle Ballard was
the main speaker
it was surely wonderful
I have never heard
our coming to earth
& the Satans plans
explained more fully
in my life. I am
going to do all in
my power to keep
Satan from getting
a hold. I want to
remember that everywhere
I yield to temptation
I am helping Satan in
his evil work.

I hope I shall never
forget the good instruction
I received to day, I
also am going to try
a propit by Thomas!
Bingham Stake was

Watching the tongue
keep & watch on your
tongue my children,

For words are wonderful
things: They are sweet,
like the purest fresh
honey; like bees, they
have terrible stings;
they can bless like
the warm, glad sunshine
and brighten the soul
by gift;

they can cut in the
stuff of anger,
like an open two-edged
knife.

Let them pass through
your life unchallenged

If their errand be
true & kind - if they
come to support the weary,
to comfort & help the
blind;

If a little, revengeful
spirit
prompt the wardo, let
them be unged;

They may flash through
the brain like lightning,
or fall on the heart
like lead.

III

Keep them back if they
thrive cold and cruel,
under bar, & lock & seal;
The wounded they
make my children,
are always slow to heal.

may Christ guard
your life, & ever,
From the time of your
early youth,
may the words that
you daily utter be
the words of ~~a~~ ^{the} beautiful birth.

Little Things,
Oh, it's just the little
homely things, the
unobtrusive friendly
things, the ones that
let me help you
things - that make our
path way bright, light.
Oh it's just the jolly
joking things;

the never mind the
trouble things" things.
the laugh-with-me-it's
funny" things that
make the world seem
bright.

For all the countless
famous things, the
wonderous record-break-
ing things, those
never can be equalled
things, that all the
papers, etc, are not
like the little human
things, the every day
encountered things,
the "just-because-
where-you" things that
make us hopelessly
quite!

So here's to all the
little things, the
done & the forgotten
things, those little
signs - nothing things
that make life worth
the fight.

make me like
him if he high
bowed me. He
can go to the devil
I sure got even with
him after I started
dancing with him
He never ask me
to dance until
the third dance from
the last he sure
was sore at me
for I know what.
All the same old
diary he showed
me a pretty good

Dec. 8 1925

Well I am now in
Roco. Hills Station

again after my trip

to Ruffit. I have

been gone about a

month $\frac{1}{2}$ but I

have had a good

time & things haven't

been so well

I know how they
could be disappointed
Mr. & Mrs. Clarke came
with me as far as
Pozzetto. She went
to S. L. him to partland
I met the man
that called my
Bubbles & had a
real nice talk
with him. When
I got in Pozzetto I
met Woody had a
real talk with him
I thought he was
sore at me & I guess
he thought the same
about me. I wonder
if I will ever go
back to Puerto. I
sure hope so.

Some of the kids
there I sure think
a lot of. I suppose
I will never see
Claud again but he
I will go see if my
train is ready.

Dec 9 / 1925. Sunday
Well old dary I am

Tom let me off for Sec.
School this morning
president Grant was
there & he sang for us
& this is the mello
he left

President Grant's
motto.

That which we present
on doing. Is easily done.
not that the nature
of the thing is changed
but our power to do
has increased.

Taken place in Rem.
of year 1925.

Well old Diary one
thing is certain I
never got married
in year 1925. I will
see if I can say the
same thing next year
I hope not. I had
a very lovely Xmas
I received several

nice gift including
necktie from Cass
Silk mit teddies Biddy
Blenners — — — Lawrence
Handkerchief — — — Harry
I got off work at this
o'clock. Went home
& lounged around
until about 7 o'clock
Lawrence Vesla & I
went to show & dance
afterwards. Had a
very good time. Sat
following was very
quiet.

Old Diary It sure
don't pay to replace
every little thing
that's said to me
you are in it all the
time. I hope
I can learn to take
life as it comes

I have been considered
very hard lately. &
have learned quite
a bit it is nice to
have a profession but
it isn't always the
happiest way to end
life. This doesn't
mean to stop & try
not to speak any
thing of one self.
It merely means to
make the best of
life according to our
judgments. If we
marry. Do our utmost
to make it a success.
It is just as necessary
to work & strive to
make marriage a success
as it is one's business.
